Before an assistant enters upon the discharge of his or her duties, the assistant shall take and subscribe to the oath of office as provided in section 1 of article XI of the state constitution of 1963, which shall be filed in the office of the county, township, city, or village clerk who appointed the assistant and shall be properly instructed by the county, township, city, or village clerk in the duties the assistant is assigned to perform. The notary public or other officer administering the oath shall sign his or her name on the line for the signature of the registration officer and designate his or her title.

Except as otherwise provided in this subdivision, the electronic tabulating equipment shall reject all choices recorded on the elector's ballot for an office or a question if the number of choices exceeds the number that the elector is entitled to vote for on that office or question. Electronic tabulating equipment that can detect and inform an elector voting in person that the choices recorded on the elector's ballot for an office or a question exceeds the number that the elector is entitled to vote for on that office or question shall offer the elector an opportunity to correct the error before rejecting the choices recorded on the elector's ballot.
